

Xi'an Overseas Chinese Scholars Pioneering Park

Established in May 1998, Xi'an Overseas Chinese Scholars Pioneering Park is an organization focusing on the catalyzation of overseas Chinese scholars start-ups. In the same year, it got ratified as the National Level Overseas Chinese Scholars Pioneering Park by China MOST, Ministry of Human Resources and Social Security, Ministry of Education and the State Administration of Foreign Experts Affairs.

The Pioneering Park now has 12 incubation buildings, ranging from various levels of office, workshops to labs and technical platforms. Up to now, nearly 700 returnees have set up 517 companies in this fast growing pioneering park. IT, photoelectron, biomedicine, new materials and environment technologies are the most focused areas.

Major Incentives:

1. Office Lease Compliment of 10 million RMB in each year;
2. Grant of 100,000 – 200,000 RMB to each highly promising company;
3. Marketing Compliment of 100,000;
4. Interest Reimbursement for Bank Loans (max 300,000 RMB);
5. IPR protection: Reimbursement for each IP application (max 30,000 RMB);
6. Software companies and IC companies may enjoy more tailor-designed incentives and tax policies.

As an organization exclusively providing start-up services to overseas Chinese scholars, Xi'an Pioneering Park expects to work closely with you and contribute more to your start-up business in China!
